**NOTICE – Colorado law requires all active licensed mortgage loan originators (MLOs) to maintain continuous errors and omissions (E&O) insurance. If you are insured through the Colorado Department of Regulatory Agencies’ (DORA’s) current group E&O program for MLOs, your coverage expires January 1, 2025. RISC is pleased to continue to provide the group program for the January 1, 2025 to January 1, 2026 group policy period. Failure to timely obtain or renew coverage may lead DORA to inactivate your license. MLOs may obtain insurance outside of the group program, provided coverage complies with state law and proof of coverage is provided to DORA as required by state law.**

**PROTECTION FROM THE MOST EXPERIENCED PROVIDER IN THE BUSINESS – RISC’s management team has been involved in state-mandated real estate E&O insurance programs longer than any other group in the business. This program is specially tailored to meet the specific needs of Colorado MLOs. The insurance carrier is Continental, a CNA insurance company (rated “A, Excellent” by A.M. Best). RISC’s experience and excellent claims service, combined with CNA’s strong financial performance, ensures a quality program.**

Testimonials we have received from Colorado insureds in regard to their experiences with RISC:

- *Thank you for all of the hard work and effort you put in... [We] were both so appreciative of everything you & RISC did to help us – we felt like you were truly in our corner. You never know how good a company is until you really need them – RISC was a shining star. A.G.*
- *My sincere thanks to [the RISC adjuster] for her professional, timely, and compassionate handling of my situation. I have never gone through this...but at this point, I feel that I am in excellent hands with [local defense counsel] and his firm. G.R.*

**OPTION FOR RENEWING E&O COVERAGE FOR MULTIPLE MLOS – Companies with 10+ MLOs can request a Multiple MLO Renewal Form to electronically submit enrollment information for all the firm’s MLOs timely and expediently.**

**REVIEW THE FOLLOWING IMPORTANT INFORMATION AND SIGN BELOW**

**What Is and Is Not Covered – We urge all MLOs to review a sample policy, including the Exclusions section. A sample policy and additional information are available on our website, [www.risceo.com](http://www.risceo.com), or by calling us toll-free at 1-800-637-7319, Option 1.**

**This is a Claims-Made-and-Reported Policy – There is no coverage for claims first made before the beginning or after the end of your individual policy period. If you have any knowledge of a claim; potential claim; or any act, error, omission, fact, or situation that may give rise to a claim against you or your company, it must be reported in writing immediately to your insurance carrier before your current policy period expires. Failure to do so may jeopardize any coverage that would have otherwise been available. Any claim under the group policy must be reported to us in writing during the individual policy period in which it is first made against the insured. For further instructions and a notice of claim form, visit our website, [www.risceo.com](http://www.risceo.com), then select the “Resources” tab and click “Forms” or call us toll-free at 1-800-637-7319, Option 2.**

**Prior Acts and Importance of Timely Renewal – Your “retroactive date” determines whether there is coverage for services performed before the policy’s effective date. The retroactive date is the date from which you have continuously maintained uninterrupted E&O insurance, with no gaps. Even a one-day gap will result in loss of coverage for ALL professional services performed before the new policy’s effective date, even if you had E&O insurance when the services were provided and again when the claim arises. If you fail to enroll timely, call RISC immediately to see if you qualify to backdate your individual policy period to January 1, 2025 (subject to approval, \$20 cost if requested more than 60 days after group policy inception). This procedure will not remedy noncompliance with mandatory insurance laws.**

**Not Renewing Coverage through RISC’s Program? Consider an Optional Extended Reporting Period (ERP) Endorsement – There is no coverage for claims that arise after the end of your individual policy period unless an ERP is in place. Claims often arise years after the subject transaction occurred. If you are not renewing coverage under the 2023 group policy for any reason (e.g. inactivating / retiring your license or switching to another provider), you should consider purchasing a 1, 2, 3, or 5 year ERP endorsement to extend the policy’s reporting date to apply to claims that are first made and reported within that period. An ERP endorsement may only be purchased any time during or up to 90 days after the end of your individual policy period.**

**Territory – MLOs domiciled in Colorado are insured for professional services performed anywhere they are duly licensed, provided the services would require a MLO license if performed in Colorado. MLOs not domiciled in Colorado are insured for Colorado transactions only. For a claim to be covered, it must be brought within the United States, its territories or possessions. More information in the Territory section of the policy.**

**Effective Date – MLOs who enroll before January 1, 2025 will have a January 1, 2025 inception date. MLOs who enroll after January 1, 2025 will have an inception date of the day we receive the completed application and premium. MLOs not enrolled in the current group policy may request a different inception date (after January 1, 2025) for Continental’s consideration:**

**Premium / Deductible – All premiums are fully earned at policy inception and no refunds are permitted after that date. If your payment is returned for nonsufficient funds, you are responsible for payment of any resulting bank fees or penalties. The deductible will be due in accordance with the policy. Applicant agrees to reimburse the Company for any and all costs and expenses it incurs by employing a collection agency to collect any overdue deductible.**
