Please Support Your State Program

\$9.8+ Million in defense costs and damages have been incurred by Continental Casualty Company (a CNA insurance company) on behalf of Idaho licensees as of June 30, 2024 since 2004. Rice Insurance Services Center and Continental share a commitment to provide valuable coverage to Idaho licensees. When shopping for insurance, it's important to ask about a company's experience and paid claims in Idaho. If a company is charging a very low amount, you may find the carrier doesn't provide much coverage or pay many claims.

The state group program offers affordable E&O insurance to each and every licensee by spreading the risk over a large number of insureds. Without the group program's low premium, other carriers have no incentive to offer real estate E&O policies at affordable prices. In states without a group program, real estate E&O premiums may cost thousands of dollars and some licensees report being unable to obtain insurance at any price.

Rely on the Most Experienced Provider in the Business

The Rice family and their colleagues have specialized in mandated real estate E&O programs since 1989. CNA has 50+ years of experience in E&O programs, including 30+ years in real estate E&O. CNA is the top provider of real estate liability insurance, with 100+ years in the insurance business, industry knowledge, and financial strength to manage even the most complex risks. You can be confident we will be here for you even after you purchase coverage.

When a Claim is Made, Our Claims Adjusters Focus on You

Some people assume insurance companies look for reasons to deny coverage. Our duty to find coverage where the policy supports it is our utmost concern. Most insurance providers use one entity to sell the policy and another to handle claims. Because we do both, the information we provide about the policy reflects how it will actually apply when a claim is made. Providers who don't administer claims may not know how the carrier actually applies the policy when a claim is made.

We Stand by You Even if There is a Claim

You may be involved in a claim even if you did everything by the book. Some providers won't write your coverage if you have had a claim. Or if you have a claim, they may not renew your policy! There is no reason to fear reporting a claim under our program. We understand that having a claim does not mean you did anything wrong. Anyone can be involved in a transaction that goes sour. Never think that it can't happen to you. And we are here for you if it does.

All E&O Policies Are Not the Same . . . Neither Are All E&O Providers

Always Review the Actual Policy Provisions. The most accurate representation of what a policy covers is the policy itself. We recommend you review any policy you are considering and ask these questions:

Does the policy provide first dollar defense? Yes. There is no deductible for defense costs, so there is no cost to the insured unless there is a damage award or settlement. Other policies may have stringent requirements to qualify for first dollar defense.

Does the policy offer unlimited defense costs? Yes. There is no limit on the amount of defense costs available to pay covered claims under the basic policy. (Limited defense costs apply under the regulatory complaints and subpoena coverages, which were not traditionally covered at all under many E&O policies.)

Does the policy insure transactions you do for relatives? Yes. The policy applies to claims involving professional services performed for your and your spouse's relatives. This is important, since buyers and sellers often turn to a trusted relative to represent them in a transaction.

Does the policy apply to claims relating to all types of real property? Yes. The policy applies to any claim relating to professional services, regardless of the type of property involved. Other policies may limit coverage to a specific property type, such as residential, or require additional premium for coverage for other kinds of property. Even if you currently handle only residential transactions, consider whether you are willing to forgo an opportunity to work with commercial property or farmland or to risk not having coverage for a claim resulting from the transaction.

Are insureds satisfied with the provider? Yes. Excerpts from actual emails we've received from Idaho insureds:

Thank you, thank you, thank you. Your swift response only reinforces my faith in your coverage and service. R.F.

I want to express my thanks to you. When you are in this "situation" there are a number of emotions that seem overwhelming . . . While I know we didn't do anything wrong, I cannot tell you how appreciative I am of the service that you and RISC offer. Not only have you saved us but you have been so kind in your communications . . . Also, I feel your insurance company provided us with a more professional and knowledgeable attorney that we could have had access to on our own. S.A.

"One does not find this good of service very often." R.H.
