### Please Support Your State Program

**\$12+ Million** in defense costs and damages have been incurred as of August 31, 2023 since the current carrier began issuing the Iowa state group program in 2003. RISC and the carrier share a commitment to their insureds and providing valuable coverage to Iowa licensees. When shopping for insurance coverage, it's important to ask about the company's experience and paid claims in Iowa. If a company is charging a very low amount, you may find the carrier doesn't provide much coverage or pay many claims.

The state group program offers affordable E&O insurance to each and every licensee by spreading the risk over a large number of insureds. Without the group program's low premium, other carriers have no incentive to offer real estate E&O policies at affordable prices. In states without a group program, real estate E&O premiums may cost thousands of dollars and some licensees report being unable to obtain insurance at any price.

### Rely on the Most Experienced Provider in the Business

The Rice family and their colleagues have specialized in mandated real estate E&O programs since 1989. We provide group policies in the vast majority of states that have group programs and require licensees to maintain insurance. CNA has 50+ years of experience in E&O programs, including 30+ years in real estate E&O. CNA is the top provider of real estate liability insurance, delivering 100+ years of experience, industry knowledge, and financial strength to manage even the most complex risks. You can be confident we will be here for you even after you purchase coverage.

### When a Claim is Made, Our In-House Adjusters Focus on You

Some people assume insurance companies look for reasons to deny coverage. Our duty to find coverage where the policy supports it is our utmost concern. Most insurance providers use one entity to sell the policy and another to handle claims. Because we do both, the information we provide about the policy reflects how it will actually apply in the event of a claim. Providers who don't administer claims may not know how the carrier actually applies the policy when a claim is made.

### We Stand by You Even if there is a Claim

You may be involved in a claim even if you did everything by the book. Some providers won't write your coverage if you have had a claim. Or if you have a claim, they may not renew your policy! There is no need to fear reporting a claim under our program. We understand having a claim does not mean you did anything wrong. Anyone can be involved in a transaction that goes sour. Never think it can't happen to you. And we are here to help you if it does.

### Our Website Makes Everything Easier

We are dedicated to exceptional customer service. Our website, [www.risceo.com](http://www.risceo.com), makes it easy and convenient to enroll in the group policy, learn more about the group program, and find risk reduction information. ### All E&O Providers are Not the Same . . . Neither are All E&O Policies

#### **Always Review the Actual Policy Provisions!**

The most accurate representation of what a policy covers is the policy itself. We recommend you review any policy you are considering and ask these questions:

**Does the policy provide first dollar defense? Yes.** Under the RISC policy, there is no deductible for damages or defense costs. Other policies may have stringent requirements that must be followed to qualify for first dollar defense.

**Does the policy offer unlimited defense costs? Yes.** Under the RISC policy, there is no limit on the amount of defense costs available to pay covered claims (there are limits for subpoena and regulatory complaint coverages, which were not traditionally covered at all under many E&O policies).

**Does the policy insure transactions you do for relatives? Yes.** The RISC policy applies to claims involving services performed for your relatives and in-laws. This is important, since buyers and sellers often turn to a trusted relative who is a real estate licensee to represent them in a transaction.

**Does the policy apply to claims relating to all types of real property? Yes.** The RISC policy applies to any claim relating to professional services, regardless of the type of property involved. Other policies may limit coverage to a specific type of property, such as residential, or require additional premium for coverage for other kinds of property. Even if you currently handle only residential transactions, consider whether you are willing to forgo an opportunity to work with commercial property or farmland or to risk not having coverage for a claim resulting from the transaction.

**Does the policy insure your firm for its vicarious liability for your professional services? Yes.** Claims are often made against real estate firms as a result of their licensees' negligence. Under the RISC policy, the insured licensee's policy applies to covered claims alleging the firm's vicarious liability for negligence in the licensee's professional services. Some policies issued to individual licensees may not provide coverage for the firm's vicarious liability for their actions, which may leave the firm uncovered in the event of a claim.

**Are insureds satisfied with the provider's service? Yes.** Below are excerpts from actual emails we have received:

*Rice Insurance Services has consistently responded to our needs in a timely and professional manner. With the current atmosphere of frequent litigation, it is very important to our survival as a real estate service provider to have access to this level of quality when the need arises for insurance coverage. M.G., Iowa insured*

*I have had many occasions to work with RISC, and I always have received timely professional service. I have consistently found RISC's management and staff to be friendly, cooperative and fair. J.J., general counsel for large Iowa real estate firm*
